## NEU! Courses for kids

From January 2022, we are also offering courses for children :

1. 4-5 years old – We help your child in learning the oral German language in order to be best prepared for primary school. With songs, stories, we encourage them to speak and develop their vocabulary.
2. For Francophones children arriving from France, we offer introductory courses to the German language in order to facilitate their integration in elementary or high school.
3. For children in secondary school or high school, we offer German language tutoring.
4. For Francophone children from class 5 upwards in secondary school or in high school, we offer the NAMI (Nachmittagsbetreuung) from Monday to Thursday from 2.15 pm à 4.15 pm.
